

Request for revocation of qualified digital certificate for natural person

A request for revocation of a qualified digital certificate can only be made by the holder of the digital certificate or his authorized representative.

The applicant submits a request for cancellation via e-mail to ca_preklici@halcom.si. The applicant must send a hand-signed application no later than 3 days after the first application for revocation of a qualified digital certificate to address Halcom d.d., Halcom CA, Dunajska cesta 123, 1000 Ljubljana. The holder of the digital certificate guarantees the authenticity of the given data by signing.
